All Subjects of Law

**NOTE**
**Statement of the Extraordinary Soviet Military -Political Central body of the USSR to the world community regarding Sovereign Soviet territories within the state borders of the USSR in the administrative territories of the Ukrainian Soviet Socialist Republic within the framework of Declarative Protest.**

The Great Sovereign Country - the Union of Soviet Socialist Republics, represented by the State Committee for the State of Emergency of the USSR (SCSE of USSR), as the Supreme Body of State Power of the Great Sovereign Country - the Union of Soviet Socialist Republics, By the Right of the Sovereign, on the basis of the Sovereign Legislation of the USSR, according to the Laws of Wartime , expresses its respect to the All Great, United, Sovereign Soviet People, All Subjects of Law and the Entire World Community, and expresses extreme concern about the illegal seizure of the Sovereign Soviet Territory by the private criminal corporate fund BlackRock and other foreign trading corporations that are generally recognized in International Law and a number of legal organizations of the United Nations,
**expresses the most decisive Sovereign Declarative Protest** against the illegal actions of the collective Nazi West and the behind-the-scenes policies of the prohibited corporation the United States of America.

We hereby clarify that the Great Sovereign Country - the Union of Soviet Socialist Republics, according to the Right of the Sovereign, as a

Sovereign, conducts its nationwide activities throughout the entire World and responsibly declares that the criminal activities set forth in this document are prohibited terrorist activities the corporate organization of the United States of America, led by the corporate criminal President Joe Biden, which in the Territory of the Republic of the United States of America - America, over the past decades, has founded its criminal terrorist, separatist activities, based on the lower Admiralty Law, under the control of criminal terrorist separatist clans Rothschilds, Morgans, Baruchs, Oppenheimers and others.

According to the Law of the Sovereign and according to the Norms of International Law, a US corporation cannot be considered by the International Community as a Country, Republic, State and Sovereign Subject of Law. As a result of the criminal seizure of power, a criminal, destructive, terrorist, separatist corporation, controlled by a criminal syndicate of terrorist clans, by the Law of the Supreme Sovereign, on the basis of the Sovereign Decree of the Sovereign International Treasury Monetary One No. 033/RES2023 dated 02.06.2023, was deprived of the Right of Subjectivity and recognized outside the Divine Law of Creation and outside the Law.

The banned terrorist, extremist, separatist company "Ukraine - UNA, UPR" acted as a successor to the Soviet balance sheet, with the help of which, through a criminal conspiracy of the parties, it attempted to accept allegedly Soviet debts under Lend-Lease to the United States.

Lend-Lease - state program, according to which United States America supplied his allies in Second world war combat supplies, equipment, food, medical equipment and medicines, strategic raw materials, including petroleum products. The Lend-Lease Act was passed by the US Congress on March 11, 1941, and authorized the President to grant the above provisions to countries whose "defense against aggression is vital to the defense of the United States". The main recipients of Lend-

Lease assistance were the British Empire and the USSR, but one way or another, all of the then US allies received supplies under this program. At the same time, the post-war repayment of Lend-Lease debts lasted for several decades.

This criminal conspiracy provides for the allocation of 33,000,000,000 US dollars to assist Ukraine, as a successor to the Ukrainian People's Republic (UPR), in the defense and humanitarian spheres. The bill approved by US senators temporarily lifts some restrictions relating to the authority of the President of the United States to lease or supply military equipment to the government of the illegitimate, prohibited, terrorist, separatist Entity of Law "Ukraine-UPR". The banned US corporation began to work out the transformation of Ukraine into a long-term field of military confrontation.

The president of a banned US corporation, criminally providing assistance to the banned terrorist trading company " Ukraine-UPR" under pseudo USSR titles, confirmed the status quo, proposing that the US Congress approve a package of laws that will help the administration use the confiscated assets of individuals associated with the former foreign trading company "Russian Federation - Russia", which is currently the Soviet State Cooperative Enterprise Russian Federation - Russia, as an act of suppression of illegal non-economic activities and the return of Soviet foreign exchange earnings to the USSR to provide assistance to the banned terrorist trading company "Ukraine-UPR", as a false successor of the Ukrainian SSR and the USSR.

A rogue group of foreign bondholders began pressuring the banned terrorist trading company Ukraine, as the successor to the UPR, to begin paying interest on its debt again next year. The group owns approximately one-fifth of the outstanding US$20 billion Ukraine-UPR Eurobonds, with investors including BlackRock and Pimco. They have already formed a

separate committee, and also hired lawyers from Weil Gotshal & Manges and bankers from PJT Partners to negotiate with the banned terrorist trading company «Ukraine-UPR» in order to recover debts.

BlackRock is engaged in purchasing shares of strategic enterprises and fertile lands on the Sovereign Territory of the USSR in the Ukrainian SSR. The president of the banned terrorist company «Ukraine - UNA, UNR» Zelensky Vladimir Aleksandrovich signed a criminal agreement with the banned fund, transferring non-existent state sovereignty, but in fact economic, to external corporate management of the banned criminal body - the BlackRock fund, a part of the Sovereign Soviet Territory of the USSR within the administrative boundaries Ukrainian Soviet Socialist Republic.

The Extraordinary Constitutional Committee of the USSR, as the State Body of Justice for Legal Control over Compliance with Socialist Legality and the Legal Constitutional System in the Entire Sovereign Territory of the USSR under the State Military-Political Body of the State Emergency Committee of the USSR, considers and considers obviously Russian -Ukrainian agreements as temporary, void, annulled or falsified by the parties. The Russian and Ukrainian sides, represented by the banned terrorist trading company "Ukraine", as a successor to the UPR and the former foreign trading company "Russian Federation - Russia", are trying to fraudulently pass off, through false secret agreements, as legal acts of creation, reconstruction, restoration and recognition of the existence of the Khazar Kaganate and Heavenly Jerusalem within and on the Sovereign Territory of the USSR. Their goal is the illegal enrichment and appropriation by a group of companies of the banned criminal BlackRock and criminal Pimco, the Sovereign People's State Property of the Sovereign Soviet Territories.

In view of the unitary structure of the USSR and all Soviet Republics, the former foreign trading company "Russian Federation - Russia" and the banned terrorist company "Ukraine", as a successor to the UPR, according to International Law, are internal, temporary and failed pseudo-states on the Sovereign Territory of the USSR and have an administrative border according to the perimeter of the State Border of the USSR. The RSFSR has an administrative border along the perimeter of the State Border of the USSR only with the Union Republics. The very legal fact that the Demarcation and Delimitation of the State Borders of the USSR is not the subject of jurisdiction of the Union Republics or Autonomies of the USSR, much less criminal corporate organizations such as the former foreign trading company "Russian Federation - Russia" and the banned terrorist company "Ukraine" and others, does not empower or provide legal grounds for a group of companies banned by BlackRock and the criminal Pimco to carry out secret illegal transactions and credit and financial fraud to seize Sovereign Soviet property and Sovereign Territories of the USSR.

The State Emergency Committee of the USSR, as the Extraordinary Military-Political Organ of the USSR, with this Sovereign Declarative Protest designates and indicates to the United Nations and all Subjects of Law throughout the World Space, that the State Border of the USSR is inviolable in accordance with the Resolutions of the Final Act of the Conference on Security and Cooperation in Europe and the inviolability of the Borders from 1975 - Everything is Eternal, and the administrative territory of the Union Republics of the USSR is and is recognized by the State Emergency Committee of the USSR as territorial districts of the USSR. All Soviet Republics as Internal Subjects of Law are located only within the administrative boundaries of the Great Country of the Sovereign - the Union of Soviet Socialist Republics, without having statehood. No one except the Great Sovereign Country - the Union of Soviet Socialist Republics, represented by the State Committee for the State of Emergency of the USSR (SCSE of USSR), as the Supreme Body of State Power of the Great Sovereign Country - the Union of Soviet Socialist Republics and the Great Multinational Sovereign People of the USSR has Rights and

Powers for Demarcation and Delimitation of the State Border of the USSR, and the banned terrorist company «Ukraine-UPR» , due to the peculiarities of its illegal proclamation, as a rebellious territory, publicly renounced the Power of the Soviets, is not and was not a State, much less a successor State and the successor of the Ukrainian SSR within the USSR.

Hereby, the Great Sovereign Country - the Union of Soviet Socialist Republics, represented by the State Committee for the State of Emergency of the USSR (SCSE of USSR), as the Supreme body of State Power of the Sovereign Great Country - the Union of Soviet Socialist Republics,

## Hereby Proclaims and Asserts:
